Dear Students & Families,

We are excited to welcome students and staff back to school and want to share some updates on what to expect as we begin the 2021-2022 School Year.

Dayville School will be returning to a full-day schedule, with K-12 classes starting at 8:00 a.m. and ending at 3:30 p.m.

Oregon is placing a priority on ensuring that every student is able to attend school in-person for the entire school year. The Oregon Health Authority (OHA) and the Oregon Department of Education have adopted rules, guidelines, and safety protocols in an effort to keep students in the classrooms.

Dayville School will be following all guidelines and safety protocols including face covering requirements, physical distancing, group limitations (cohorts), sanitation and ventilation. A copy of this is located on our school website and is listed under our Communicable Disease Management Plan (<https://www.dayvilleschools.com/communicable-disease>).

Face Coverings

Universal and correct use of face coverings will be required in all K-12 indoor school settings and on all school transportation. Face shields may only be used for those that have a documented medical need. Face coverings will be considered part of Dayville School's Dress Code for all students (K-12) and staff.

Respectfully,
Brandon Haberly
Superintendent/Principal
